TYPE OF COMPETITION

Competition consist of two days individual race. First day in shortened long distance, second day in middle distance. The winner will be determined by the sum of times of two days. There will be two disciplines: FootO and MTBO.

COMPETITION CENTER

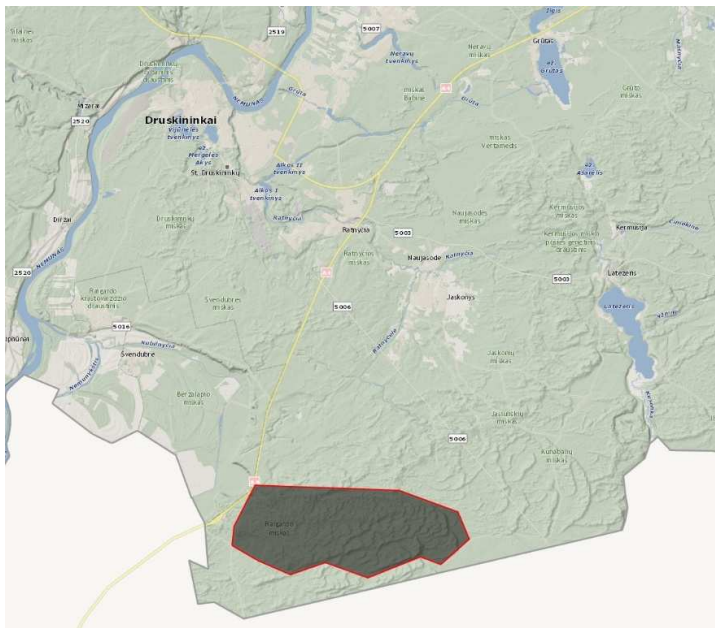

Competition center will be located directly at every day event area. There will be catering service, drinking water, toilets, sport equipment shops etc. Both days start distance is around 500 meters from the finish area.

TERRAIN AND MAPS

Forest Raigardas. Both days.

Forest Raigardas is mostly very good runnability and visibility forest with some new forest cutting areas. Dune terrain with small and medium features. Small number of roads and paths. Map scale is 1:10000 with contour equidistance 2,5 m. Scale is 1:7500 for classes WM 10, 12, 65, 70, 75, 80. Map formata is B4.

Competition center will be located just 11 km from Druskininkai. Competition area will be very close to border of Lithuania – Belarus. There will be marked embargoed areas in which will be strictly forbidden.

ELECTRONIC PUNCHING SYSTEM

It will be possible to rent SI card in registration tent on competition day. Rent is 2,00 EUR for two days. In case a SI card is lost or damaged, the competitors are obliged to cover the expenses.

Competitors must use the exact SI card that is given in the start list, otherwise you can be disqualified. In case there are some problems with SI cards, please do not hesitate to seek assistance at the secretariat.

AGE CLASSES

Class	Age

OTHER CONDITIONS

Warning!!! As the competition center is close to the border zone, everyone must have ID documents.
Each competitor participates in the event at his/her own risk.

VENUE

Druskininkai is the largest and one of the most exciting resorts in Lithuania. The city is located in South Lithuania, 120 km from the capital Vilnius and has 25.000 inhabitants. It is famous for its natural surroundings, undoubtedly effective treatment facilities, museums, architectural monuments of local importance and leisure time activities. Its highly developed servicing, friendly local inhabitants and healthy environment attract everyone who visits the resort.

There are many types of activities a visitor can enjoy. Mostly the choice of time spending depends on the purpose in coming for a stay in **Druskininkai**.

ACCOMODATION

Slightly away from the city center, near the pinewood, a comfortable and tranquil hotel "Mineraliniai apartamentai" is located. <http://www.mineraliniai.lt/en/>

Homesteads: <http://www.atostogoskaime.lt/en>

More information regarding the accommodation <http://info.druskininkai.lt/new/lt/>

CATERING

There will be catering place with hot food and drink serving right in the event area.

ARRIVING AND PARKING

All parking places will be located next to the event center. Parking fee will be 2,00 EUR for two days.
